Lieux.-Gov. Sheehan Excited.

Commissioner Sheehan said he could not prevent his eyes from wandering cocasionally. Lieux.-Gov. Sheehan, who was sitting to one side of Mr. Goff, rose at this point and said if there was any objection to his presence he would retige. Things were getting hot, and both the witness and his brother were showing signs of wrath.

"Oh. no, Governor." said Chairman Lazow: "remain where you are. There is not the slightest objection."

"I only want the witness to look at me," explained Mr. Goff.
Then soing back to the Long Island City contracts, Mr. Goff asked if it was not the custom to make a tender of 10 per cent. on all bids when they were put in.

CAPTAINS ARE ALL HERE.

Chicago Denied.

The Chicago despatch, published this morning, to the effect that a police cantain of this city, accompanied by an exmember of the city, accompanied by an exmember of the force, had been in Chicago for the past ten days in order to avoid
appearing before the Lexow Committee,
is pronounced untrue by Supt. Hyrnes.
"There is no captain away on leave,
nor has there been during the last ten
days," he declared.
Inspectors Williams, McEvoy and Conlin made an investigation this morning, and found that there was no captain absent from duty.

It is believed that Mr. March has given valuable information as to fraudulent registration in the past and the Tammany workers plans for the Second. Phil Wissig, it is said, is also likely to use the knife freely.

In the Second District it begins to look as if the Tammany candidate for Assembly will not have such an easy time of it. Jimmy Oliver has been doing some tail electioneering, and many of the Diver Club members have declared their intention of supporting him.

As to Divver himself, he is practically dead to Second District politics. In fact, it has been decided to change the name of his club immediately after election. It is also announced that he will move away from the place altogether.
